PROOF IN NUMBERS

A Netherlands-based company, SEO delivered from Lagos

100 → 20,000+

monthly organic sessions in six months

DR 19 → 59

Domain Rating on the same project

Remote work across time zones is how I work.

PROOF IN NUMBERS

A hosting-industry client, eight months

200 → 5,000
weekly organic visitors

DR 17 → 56
Domain Rating

88 → 220
ranking keywords

100+
commercial terms in the top 3

Slow, boring, compounding work.

EUROPE TO AFRICA

Africa is four markets, not one

Nigeria

naira, English plus many local languages

Kenya

Kenyan shilling, English plus local languages

Ghana

cedi, English plus local languages

South Africa

rand, English plus local languages

One English page does not fit all four.

EUROPE TO AFRICA

Lagos and Amsterdam: same clock, part of the year

Lagos

West Africa Time, UTC+1, all year

Amsterdam, winter

CET, UTC+1: the same clock as Lagos

Amsterdam, summer

CEST, UTC+2: one hour ahead of Lagos

Time zones are rarely the obstacle in this work.
